

IN THE SPECIFICATION:

Please replace Paragraph [0036] of the specification with the following paragraph:

The examples of pressure-sensitive sections shown in FIGS. 1 to 3 comprise the stand 10 and the pressure-sensitive chip 11, but the pressure-sensitive section may be comprised only of pressure-sensitive chip 11. That is, the present invention can also be applied in a pressure sensor which does not have a stand 10 and is directly mounted on the base 1.
